

Cookies

A cookie is a small text file that your browser saves on your computer's hard drive. We only use cookies that are strictly necessary and required for our websites to function properly. We also use analytical cookies to anonymously record the behavior of visitors on our website, which includes mouse clicks, scrolls and clicks. This allows us to track how the website is used to further improve it.

Cookies on Megabank.nl

Megabank requests your browser to save cookies on your computer, tablet or mobile phone that are strictly necessary for the functioning of Megabank; for example cookies to ensure that you can retrieve information quickly. Or to allow you to use a service you have explicitly asked for, such as the cookie that remembers your cookie settings.

Cookie	Purpose	Storage period	Further information
Session cookies	Enables you to use Megabank easily	After logon, during session only	Session cookies allow Megabank to recognize and remember you during your visit.
Authentication method cookie	Allows you to access Megabank in your preferred way	75 days	This cookie remembers the authentication method you last used to log on to Megabank.
Authentication cookie	Allows you to easily access Megabank	75 days	This cookie remembers the user ID you last used to log on to Megabank.

Do you want to change your cookie settings?

You can manage how your browser handles cookies. Please check the instructions for [Chrome](#), [Firefox](#), [Edge](#) or [Safari](#). Other browsers offer similar cookie management options.

If you have adjusted your cookie settings, and disallowed websites to save cookies on your computer, Megabank may not be able to save on your computer the cookie that remembers whether or not you consented to the saving of cookies.

We may change this cookie statement from time to time to comply with applicable laws or to reflect our updated business practices. We recommend reading this page every now and then.
